<sup>1</sup> The PAC has endorsed both candidates because they share the PAC's values, and their qualifications set them apart from the other candidate in the race. Both candidates have unique backgrounds, experiences, and skillsets that would allow them to champion our values in the Attorney General's office.

The primary purpose of Replacements LTD PAC is to influence the election of local, state, and national candidates who will best support and promote progressive policies and civil rights. When making a decision about an endorsement, we consider whether a candidate's past and current positions support the business and social interests of Replacements, Ltd. (including LGBTQ+ Rights, Immigrant Justice, Gun Violence, Health, Environmental Justice, Good Government & Campaign Finance, and Education), whether a candidate's qualities and activities are in line with our core values, and whether the candidate is strategically viable.
